

SMOKING CESSATION ORGANIZING, PLANNING & EXECUTION (SCOPE) TRAINING PROGRAM – LEVEL 1

Background

Smoking Cessation Organizing, Planning & Execution (SCOPE) is a comprehensive, one-day program provides the context, background and evidence-based knowledge and skills needed to offer intensive smoking cessation counselling. SCOPE is nationally accredited by MOH FCTC unit and it is a part of mQuit services recognized as 1 of 3 pathway to become a certified smoking cessation provider in Malaysia.

Speakers

All speakers are members of the Nicotine Addiction Research Group of UMCAS and are embarked on a program in training healthcare providers to have minimum level competency in tobacco dependence treatment (SCOPE). All speakers are well versed in tobacco control activities locally and internationally and are members of civil societies in improving the quality of life of Malaysians through promoting a smoke-free lifestyle. Collectively they sit on local and international panels which are involved with both policy and cessation efforts in tobacco control.

Target audience

- ◆ Government agencies, policy makers & legislators
- ◆ Educators & academicians
- ◆ Professionals and students in health; medical, dental, pharmacists and scientists
- ◆ Non-governmental organizations (NGOs)
